

Dear friends,

In 2016 we expect to provide over 600 children in the greater Hanover area the opportunity to enjoy the games of baseball and softball. They also learn and develop “valuable qualities” such as confidence, teamwork, and sportsmanship amongst many others that each of these players will carry with them as he/she steps forward through life?

In order for us to continue our mission into the 2016 season, we need your help more than ever! The Hanover Little League is our community’s only Little League sanctioned baseball organization and we are asking that you please consider a sponsorship. There are two ways to be a sponsor. The first is a team sponsor in which your company name is displayed on the back of a team’s jersey. The second is a new banner sponsor that will be custom made with your company name/logo and will hang on the outfield fence of one of our local fields. If you are an existing banner sponsor, please indicate as noted below. Becoming a team or banner sponsor is not only a great way to demonstrate your support in the community but is an outstanding way of attracting new customers to your business. As our organization has continued to grow every season your sponsorship will give your business exposure to more potential customers than ever before in 2016. As always, any contribution your company can make is greatly appreciated!

Best regards,

Tim Edwards
President, Hanover Little League

Hanover Little League Mission Statement

Hanover Little League is a non-profit organization whose mission is “to promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball.” Through proper guidance and exemplary leadership, the Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. Parents, coaches, fans, umpires, and league officials will work together to ensure that the Little League experience helps everyone associated with the players to enhance their sense of sportsmanship, respect for others, sharing and appreciation of teamwork. By adopting the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior citizens rather than superior athletes.
